MARINE MAMMAL KNOWLEDGE EXCHANGE

with Stellwagen Bank National Marine Sanctuary

The Marine Mammal Twinning, creators of the Marine Mammals Management Toolkit, is pleased to host an online “**Marine Mammals Knowledge Exchange**” with the Stellwagen Bank National Marine Sanctuary (SBNMS) as part of the Marine Mammal Twinning’s Final Partner’s Workshop 2023. The Knowledge Exchange is open to all, and please register using the QR code.

Join us for an afternoon of rich discussion around some of the key threats facing marine mammals and the solutions implemented by SBNMS and other Marine Protected Areas around the world:

- Ship Strikes
- Noise Pollution
- Entanglement
- Whale Watching
